

SADEWA APRILLIAN NIZAR RIFAI

Front end developer

About Me

I am a 12th-grade student majoring in PPLG at SMK Taruna Bhakti Depok with a deep interest in front-end development. With experience in HTML, CSS, JavaScript, and the React framework, I focus on creating responsive and user-friendly applications. With my expertise, I believe I can help companies create applications that are not only attractive but also efficient.
